CAN & PAIL CRUSHERS

SUPER 6PM

Full cans and pail with lids on are opened, emptied (by EPA Definition) and crushed in twenty second or less. Automatic ejection available, too!

EXPLOSION PROOF

NEMA CLASS 1, DIV. 2, GROUP D

SAFE

Will not crush if doors are open!

MULTIPURPOSE CRUSHING!

These machines crush six-gallon pails and most anything that is small. Oil filter and a variety of pails and cans are all crushed by these units. These crushers open closed containers and drain the contents before crushing them flat.

CRUSHING FORCE OF 30,000 POUNDS

Crushes **steel containers** so you can put up to 15 crushed cans in the space required by a whole can. Also, opens, empties and crushes plastic containers

CRUSHER STAND

Provide 35" of clearance for a 55-gallon drum.

LIQUID COLLECTION CAPABILITY

Liquids that are squeezed from containers are collected in a 55-gallon drum or in a tote.

RESULTS!

The **Super 6PM** opens, empties and crushes up to 180 containers per hour. It can handle a wide variety of container types and sizes ranging from pints to 6-gallons.
